

Shipping & Delivery Policy

Our shipping rates are calculated using the U.S. Postal Service Shipping rates. However, at the time of checkout additional shipping methods are available. While we try our very best to process and ship most orders within 4-6 business days (Monday-Friday) after receiving payment, there are times that unforeseen situations may arise. Please know that should these situations occur; we will email you immediately with updates of any shipment delays that we may encounter. Once the order has been shipped, you will receive an email with a tracking number.

Our shipping options are:

North Carolina Delivery: (3-5 business days).

Standard Delivery: (5-7 business days).

Express Delivery: (1-2 business days for orders placed by Noon EST (M-F)).

We are not responsible for packages once they have been delivered to your address. Please make sure you are shipping to a secure location or upgrade your shipping to include insurance. Please contact your local Post Carrier for any issues with your package once marked "delivered". Any returned packages will be subject to returned shipping fees that we incur from the Post Office.

P.O. Boxes: We do not ship to P.O. Box addresses. Any order with only a P.O. Box will be cancelled. Please be sure to consider an alternate shipping destination when checking out.

International Shipping: Unfortunately, we do not ship internationally. We are currently working on adding this opportunity. Sorry for any inconvenience.
